

# VACCINES FOR CHILDREN PROGRAM

## 2013-2014 Influenza Vaccine Order and Accountability Form

Please use this form to order and account for influenza vaccine. Ensure your PIN is included on the form. **Inventory and doses administered should only be reported once per month when submitting monthly accountability report.** Inventory must be reported by NDC# and needs to include the lot number and expiration date of each dose in inventory. Order as often as needed, but only what will be needed for four-to-six weeks. Orders are allowed based on the vaccine pre-order that was submitted in March 2013. Vaccine orders may be partially filled depending on the amount of vaccine available but form will be kept on file and remainder will be shipped as soon as vaccine becomes available.

Accountability Period									
From		To							
Provider/Clinic Name								PIN
